Notes

These labels are provided should you choose to bind your own editions. Videos of my process involving a dremel drill are on youtube/jackphoton

8.5" x 11'glossy label is suggested.
Print regular border or full page as desired.

A paper cutter or scissors or razor and metal straight-edge is needed to separate the labels from each other.

This document will update periodically as new batches of labels are created.

Some labels here may be for as-yet released titles. This is to forego updating this document too often.

Label "GM 00" is for your personal spinal scribblings.
